There might be a rush at the check-in, so please arrive early so you don't miss the dress rehearsal! After the rehearsal, we will agree on a meeting time and place where we all are going to meet so that everyone is at the right place and ready to go on stage. Before the meeting you'll have free time :)

#### **Please be ready with your performance clothes, hair and make up ready when the show starts !**

Guardians, be aware that the audience needs an entrance ticket to the stands already during the dress rehearsals. Performers do not need an admission ticket to their own show or to other shows on the same day, but they are not reserved seats in the stands. A small space at floor level next to the stage is reserved for the performers. Agree on a time and place with your child in advance.

StepUp School may photograph and videotape performances for the dance school's own use. The recorded material is used in the advertising of the dance school, e.g. on the website.

While the performances are in progress, the door to the stands is closed and is only opened during speech and applause breaks. **Standing and moving in the stands during performances is prohibited.**
