After the dress rehearsal, you'll have free time until the start of the show. When the show begins at 6:30 PM, please be ready with your performance clothes on and your hair done. We'll meet again after the children's segment by the check-in point on the ground floor and get ready together for our own performance. :)

After the dress rehearsals, the students go to their parents in the stands or in the cafeteria. The audience needs an entrance ticket to the stands already during the dress rehearsals. Performers do not need an admission ticket to their own show or to other shows on the same day, but they are not reserved seats in the stands. A small space at floor level next to the stage is reserved for the performers. Agree on a time and place with your child in advance.

Meeting with the teacher next to the stage 10 minutes before the start of the show.

StepUp School may photograph and videotape performances for the dance school's own use. The recorded material is used in the advertising of the dance school, e.g. on the website.

While the performances are in progress, the door to the stands is closed and is only opened during speech and applause breaks. **Standing and moving in the stands during performances is prohibited.**

Read all the information about the Christmas Shows (including ticket sales) on our website **www.stepupschool.fi/welcome/**

CHRISTMAS 2025

Guardian tickets

The guardian of a child performing in 3–4 and 5–6-year-old groups will receive one free guardian ticket/performing child for the show in which their child is performing upon check-in at Pasila Urheiluhalli. The guardian's ticket obliges the guardian to take care of their child in the dressing room and elsewhere at Pasila Urheiluhalli during the day of the show. So it is not an actual free ticket. If the student is 6 years old, but attends classes for 7-9 year olds, please contact our office to arrange a guardian's ticket by December 4th!
